

# PRECISION WR34 FLANGE

## MPF34 INTERFACE DIMENSIONS

This flange mates with UG-1530/U, UG595/U or UG596/U flanges, etc.

- 1 This dimension applies to the 0.0621 indexing holes only.
- 2 This dimension applies to the 0.116 bolt holes only.
- 3 Indexing holes are drilled after flange to waveguide assembly.
- 4 Use indexing pins W996-14 (2 each).
- 5 Flange thickness may vary depending on device.
